### **Special Use Permits (the remaining document pertains to special use permits)**

Special Uses are defined as activities which are not directly related to the day-to-day operations of the City of Troy, but may occur on park land.

Priority usage is reserved for those in Recreation programs, City youth athletic organizations, Troy School District and other residential and business groups.

The Recreation Department, Troy Youth Soccer League, Troy Baseball Boosters and Troy Youth Football have facility priority as providers of recreational activity for the City of Troy.

Facilities are not available to use at all times. Facilities that are used extensively may not be approved for use to allow for maintenance and turf recovery.

Facilities may not be used by groups for the purpose of profit or for fundraising uses by organizations other than non-profit 501C groups. Any event primarily for the personal, financial or corporate gain or commercial promotion will be denied.

Commercial use of facilities is prohibited except by concessionaires, production companies for filming, or others deemed to be in the best interest of the City.

### **Application**

Any organization wishing to sponsor or hold a special event in any City of Troy municipal park will be required to complete the City of Troy Special Park Use Application available at the Recreation Office 3179 Livernois or at: <http://rec.troymi.gov/parks/index.php>

### **Approved Uses**

Tournaments  
Civic events  
Cultural events  
Educational events

### **Standards for Approval**

The Parks and Recreation Departments shall issue a permit as provided for herein when, from a consideration of the application and from such other information as may otherwise be obtained, it finds that:

- 1) The conduct of the special use will not substantially interrupt other regularly scheduled park activities.
- 2) The conduct of the special use will not require the diversion of so great a number of City staff that normal work activity cannot be accomplished.
- 3) The conduct of the special use is not reasonably likely to cause injury to persons or property.
- 4) Adequate sanitation and other required health facilities are or will be made available.
- 5) There are sufficient parking places in the park to accommodate the number of vehicles reasonably expected.
- 6) No special use permit application for the same time and/or location has already been granted.
- 7) The duration of time the reserved area or park is unavailable due to set-up, take down and the event is not so substantial to prevent normal public use for extended periods.

### **City Services Provided For Special Use**

The City may provide support for special uses on the following basis:

**A. City Operated Events:** The City may operate certain special events directly. The full cost of these events will be funded by the City.

**B. Co-Sponsored Events:** The City may co-sponsor certain events with other organizations when City Council determines that the event is of general interest to the public and advances the City's public image.

**C. Non-Profit Events:** The City may assist other special uses operated by non-profit organizations. These events must meet the other requirements of the special use policy and must reimburse the City for any City costs. To qualify as a non-profit, the organization must be a non-profit as recognized by the State of Michigan or have 501C3 status. Organizations who have applied for non-profit status may be considered in this category.

**D. For-Profit Uses:** The City may allow other special uses operated by for-profit sponsors, which are beneficial to the City and the public subject to a rent for the use of the public

property, which is approved for each event. These events must meet the other requirements of the special use policy and must reimburse the City for any costs.

**E. Civic, Cultural, Educational or Family Celebrations:** Use by groups whose function is civic, cultural, educational or family celebrations (graduation, reunions, etc.) may be approved under this policy. These events must meet the other requirements of the Special Use policy and must reimburse the City for any City costs.

## **Fees for Special Uses**

### **Application Fees**

An application fee shall be paid when the application is filed. The fee for Troy based applicants is \$35.00. The fee for organizations based outside Troy is \$250. The application fee is returned if the use is not approved.

### **Rental Fees**

Any organization wishing to hold an event will be charged a daily rental fee of \$1,000/day. The rental fees must be paid 30 days prior to the commencement of the event.

A reduction in fees may be considered for events of a small scale or if co-sponsored by the City.

### **City Services Fees**

Any costs that the city incurs as a result of the event will be charged to the applicant. These charges may include: public safety and public services labor cost, equipment charges, purchased or rented materials, and contracted services.

An administrative fee 20% will be added to all costs.

The applicant will receive an estimate of the City cost with the approved application.

A cash deposit, performance bond or other security acceptable to the City will be required in an amount equal to the amount estimated by the City to be billed for City fees as described above.

### **Liability Insurance Requirements**

In order to comply with the City's insurance liability carrier, the City shall require that all sponsors of special uses carry liability insurance with coverage of at least \$1,000,000. The applicant shall be required to provide a valid certificate of insurance naming the City of Troy as an additional insured prior to the event. Higher levels of insurance based on risk factors and past experience may be required. Outcomes of past public events conducted by the group will contribute to the determination of risk category.

Each special use application will be reviewed and assessed for potential liability risk based on the following risk categories:

**Class I – Low Hazard** involves little physical activity by participants and no hazardous exposure to spectators.

**Class II – Moderate Hazard** involves moderate physical activity by participants and no significant hazardous exposure to spectators.

**Class III – Substantial Hazard** involves major participation by participants and/or moderate risk to spectators.

**Class IV – High Hazard** involves danger or significant risk to participants and/or spectators.

Insurance coverage may not be required for uses classified as Class I and Class II depending on evaluation of risk.

### **Traffic Control and Safety Requirements**

The applicant shall be responsible for complying with all traffic control and safety procedures required by the City during the event. The requirements will be indicated in the notice of approval and additional requirements may be made by the City during the event as may be necessary for the safety of the public.

### **Participant Waiver of Liability**

The applicant shall be responsible for obtaining all signed indemnification agreements as required by the City. Specific requirements may be indicated in the City's written confirmation of approval.

### **Vendor and Concession**

The City has granted exclusive privilege of sale of food, drinks, etc. at Boulan Park, Firefighters Park, Flynn Park, the Aquatic Center and Community Center. Therefore, no food vendors may sell concessions at those locations.

Any event that is serving food must have all food vendors approved by the Oakland County Health Department. All food vendors must supply a valid certificate of insurance naming the City of Troy as an additional insured prior to opening of the food stand. All food vendors must post a valid temporary food license if required by the Oakland County Health Department. Food vendors are responsible for any and all fees related to obtaining a food license.

### **Reservation of Annual Event Dates**

If an event is intended to be an annual event at regularly scheduled dates, the current year's application may include the following years requested dates. Approval of the current year's application will include reservation of the next years proposed dates. However, it will not constitute approval of next year's event, which must have its own timely application submitted for City approval.

### **Written Confirmation of City Approval**

Upon approval of the special use application, a written confirmation will be forwarded to the individual or organization requesting the event. This confirmation will outline any special conditions that must be met if the event is to be held. The City of Troy special use application must be completed for all special uses that take place in parks that are controlled by the City of Troy.

### **Park Shelter Use**

Park Shelters will be unavailable for other groups when a special use is scheduled. If a park shelter is reserved, no special use will be allowed.
