City of Troy Parks and Recreation
Parent and Child Code of Conduct

Participants Name: ___________________________________________ Team _______________________

In an effort to ensure a positive experience for the youth of the City of Troy, parents and participants are asked to review the following code of conduct, initial at the end of each statement and sign at the bottom.

**Parents:**
I will put the emotional and physical well being of my child first above everything else.

I will treat my teammates and fellow parents with respect and offer only positive comments.

I will do my part to keep drugs, alcohol and tobacco away from the participants and the park area.

I will remember that the goal of youth sports is the education, development and enjoyment of participating in the sport and not just the outcome.

I will do my best to make sure that my child has an enjoyable experience, win or lose.

I will treat the players, coaches and officials with respect and expect the same in return.

I will do my part to help the officials teach my child the rules and fundamentals of the game.

I will remember that the officials are not perfect and they are doing the best they can to call a good game and I will accept their decisions.

I will support the coach and officials to provide a positive and encouraging atmosphere for my child.

I will enjoy watching my child develop and become a better person for participating in youth sports.

I will do my part to provide a safe and fun environment for all of the players, coaches and officials.

I will remember that all of the participants hear and see how the parents and coaches react to situations and that they will follow the example in front of them, good or bad.

**Child:** I will do my best to follow the rules and guidelines of the program and to have fun while doing so.
