Dear Contractor:

The U.S. Department of Housing and Urban Development requires us to promote competitive bidding procedures on our rehabilitation projects. We have experienced problems in the past with some of our contractors not bidding. Therefore, we request that you notify our office immediately upon receipt of this letter, if you do not intend to submit a bid, so another contractor may be contacted to bid this job. This will help us prevent delays in the bidding process.

Thank you for your consideration in this matter.

Community Development Director
