

How to Navigate and Search the American Legal Publishing Code Library

The Code Library

American Legal Publishing provides free access to view and search more than 2000 municipal codes nationwide.

Getting Started

Access the **Code Library** from American Legal Publishing's home page (top right on the toolbar).

On the main page for the Code Library you'll find codes arranged by state.

Select a state to see the municipalities within each state.

Select the municipality from the listing to view the code.

Finding Content

Online code content is accessed through each municipality's overview page. Here you see how current the code is, the Municipality's contact address and a link to their website.

You can also

- view the table of contents for the code
- select the language you desire (Google Translate)
- see any other information available for this municipality (such as meeting minutes or previous versions of code available online.)

The screenshot displays the American Legal Publishing Corporation website. The top navigation bar includes links for Search, Login, Select Language, and Resources. A breadcrumb trail shows the path: OH > Mayfield Heights > Overview. The main content area is titled "Mayfield Heights, Ohio" and provides information about the local legislation current through August 12, 2019. It includes a "GET HELP" button, the City Website link (http://www.mayfieldheights.org/), and the City Address (City Hall, 6154 Mayfield Rd., Mayfield Heights, Ohio 44124). A disclaimer states that the code is for informational purposes only and should not be relied upon as the definitive authority for local legislation. The footer contains links for "Back to Code Library", "Previous Doc", and "Next Doc".

Code Overview Page

Each Code follows a Standard View

The standard view is made up of two main frames on the screen where different information is displayed. You can view the code, its table of contents, and even your search results without switching between multiple windows. See below.

This frame displays the table of contents for the Code of Ordinances. The Table of Contents has an expandable view that you can move through by clicking the arrows in the table. You can expand from the Main divisions to the individual chapters and sections within the divisions.

Clicking on the heading text allows you to move directly to that chapter or section within the code.
