## FYE2022 BUDGET ACTIVITY NARRATIVE

<b>FUND:</b> 010 General	<b>DEPARTMENT:</b> 18 Central Garage	<b>ACTIVITY:</b> 7950 Central Garage
--------------------------	--------------------------------------	--------------------------------------

### DEPARTMENT/ACTIVITY DESCRIPTION:

To provide General Fund city departments with safe and reliable equipment necessary to perform essential services to the citizens of Waterloo.

This activity accounts for all personnel costs associated with the Central Garage function. This activity also accounts for all repair parts, including oils and tires for all general fund activities other than Leisure Services and Parking Maintenance.

### DEPARTMENT/ACTIVITY OBJECTIVES:

Establish and maintain a preventive maintenance program under which all city equipment is inspected and serviced regularly.

Maintain a life cycle replacement schedule for city equipment and prioritize those replacements based on departmental requirements and emergency services safety criteria.

Establish a system by which equipment faults are recorded, reported and corrected in a timely manner, based on critical needs criteria.

## FYE2022 BUDGET ACTIVITY NARRATIVE

<b>FUND:</b> 010 General	<b>DEPARTMENT:</b> 18 Central Garage	<b>ACTIVITY:</b> 7955 Garage-Motor Pool Service
--------------------------	--------------------------------------	---

### DEPARTMENT/ACTIVITY DESCRIPTION:

To provide both scheduled and unscheduled equipment maintenance to all non-general fund departments and outside agencies, in support of departmental equipment necessary to provide essential services to the citizens of Waterloo.

This activity accounts for fuel purchases for all departments, repair parts, tires and oil purchases for Leisure Services, Parking Maintenance and all non-general fund departments.

### DEPARTMENT/ACTIVITY OBJECTIVES:

Establish and maintain a pro-active preventive maintenance program which should result in higher equipment availability rates to departments and lower potential extensive repair costs.

Strive to deliver zero-defect maintenance on all city owned equipment, eliminating the need for re-work and reduced equipment availability to supported departments.

Manage the city owned fuel distribution facility.
