FYE2022 BUDGET ACTIVITY NARRATIVE

FUND: 266 Road Use Tax	DEPARTMENT: 19 Street Department	ACTIVITY: 7200 Snow Removal
-------------------------------	---	------------------------------------

DEPARTMENT/ACTIVITY DESCRIPTION:
 The Street Department is committed to maintaining streets in a safe and serviceable condition through our snow removal and ice control program, in accordance with the city's adopted snow removal policy. The winter season generally runs from November 1st through April 15th.

DEPARTMENT/ACTIVITY OBJECTIVES:
 We will continue our proactive, anti-icing program of using brine solution, followed by sanding and/or salting applications when needed. We have approximately 50 pieces of snow removal and ice control equipment and we do rely heavily on the manpower from other departments to assist us when the entire city has to be plowed.

FYE2022 BUDGET ACTIVITY NARRATIVE

FUND: 205 Local Option Sales Tax	DEPARTMENT: 19 Street Department	ACTIVITY: 7110 Seal Coating Program
---	---	--

DEPARTMENT/ACTIVITY DESCRIPTION:
 The City of Waterloo has approximately 50 miles of unimproved streets. The Street department has consolidated its oiling, chipping and fogging activities into the seal coating program via the local option tax program. The Street department crack seals reconstructed and overlay streets via the local option tax program.

DEPARTMENT/ACTIVITY OBJECTIVES:
 The Street department is committed to providing and maintaining unimproved streets in a safe and serviceable condition under its seal coat program. The Street department is committed to protecting the investment of our local option tax reconstructed and overlay streets under its crack sealing program.

FYE2022 BUDGET ACTIVITY NARRATIVE

FUND: 521 Storm Water	DEPARTMENT: 19 Street Department	ACTIVITY: 5500 Street Cleaning
------------------------------	---	---------------------------------------

DEPARTMENT/ACTIVITY DESCRIPTION:
 The Street Department is committed to maintaining streets in a safe and serviceable condition through its street sweeping program.

DEPARTMENT/ACTIVITY OBJECTIVES:
 We will continue to sweep all paved streets within the city at three times per year, including all unimproved streets being swept at least once per year. The Downtown area is swept once per week during the sweeping season, which generally runs from mid-March through mid-November, weather permitting.
