**2021-133 FIRST & FINAL READING #1509: AMENDMENT TO CHAPTER 7-ADDITIONAL REQ.**

By Councilperson Maiani, supported by Councilperson Calvin

**AN ORDINANCE ENTITLED**

**AN ORDINANCE TO AMEND CHAPTER 7 OF**

**THE CODE OF ORDINANCES "BUILDINGS AND BUILDING REGULATIONS" BY AMENDING  
ARTICLE II BUILDING CODE, ARTICLE III MECHANICAL CODE, AND ARTICLE IV  
EXISTING STRUCTURE CODE**

The City of Wyandotte Ordains:

Section 1. Amend Chapter 7 "Buildings and Building Regulations" by amending Article II "Building Code" by adopting Sec. 7-24 through Sec. 7-25.

**ARTICLE II. BUILDING CODE**

Sec. 7-24. Additional Building Code Requirements

Sec. 7-25. Additional Residential Code Requirements

Secs. 7-26—7-30. Reserved.

Sec. 7-24. Additional Building Code Requirements.

Sec. 7-24.1. Permit Applications.

Applications for a permit shall be made in accordance with Section 105.3 of the 2015 Michigan Building Code and as follows:

a. Residential (R-4) new residence permit application: Application shall be made by a Licensed Residential Builder. Exception—A homeowner who meets the following requirements: A bona fide owner of property upon which is proposed the construction of a single family residence which is or will be on completion, for a minimum of eighteen (18) months his or her place of residence, and no part of which is used for rental or commercial purposes, nor is contemplated for such purpose, may do his or her own work, providing he or she applies for and secures a permit, pays the fee, does the work himself or herself in accordance with the provisions hereof, applies for inspections and receives approval of the work by the code official. Failure to comply with these requirements will subject the owner(s) to the revoking of the permits and to the fines and penalties as set forth in this code.

b. All other applications: Application for a permit shall be made by the owner of the building or structure, or agent, or by the licensed engineer, architect or residential builder employed in connection with the proposed work. If the application is made by a person other than the owner in fee, it shall be accompanied by an affidavit of the owner or the qualified applicant or a signed statement of the qualified applicant witnessed by the code official or his designee to the effect that the proposed work is authorized by the owner in fee and that the applicant is authorized to make such application. The full names and addresses of the owner, applicant and the responsible officers, if the owner is a corporate body, shall be stated in the application.

c. Electrical permits shall be issued for the erection or maintenance of illuminated signs before a sign permit will be issued.

#### Sec. 7-24.2. Building Board of Appeals.

The Building Board of Appeals shall consist of seven (7) members appointed by the Mayor and Council of the City of Wyandotte. The Wyandotte Department of Engineering and Building shall be represented by one member and the Wyandotte Fire Department shall be represented by one member. The other five (5) members shall have such qualifications as the Mayor may consider essential to enable them to act intelligently in matters pertaining to housing and building conditions. The members from the Department of Engineering and Building and from the Fire Department shall serve two-year terms and be appointed on the third Monday in April every two (2) years. The other five (5) members shall serve four-year terms. Three (3) shall be appointed on the third Monday in April every two (2) years and two (2) on the third Monday in April every two years thereafter. Each member shall serve until his or her successor is appointed and qualified. Should any member resign or fail to serve out their entire term, the mayor shall appoint a person to fill the vacancy until the end of said vacating member's term.

#### Sec. 7-24.3. Violations.

Violation penalties: Any person, firm or corporation who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be cited for a Municipal Civil Infraction in accordance with Chapter 23.5 of the City of Wyandotte Code of Ordinances and the defendant, if found responsible, shall be subject to a fine of not more than five hundred dollars (\$500.00). Additionally, the court may assess costs incurred in compelling the appearance of the defendant and to enforce the terms of this code. A second offense for the same violation shall constitute a misdemeanor punishable by a fine of not more than five hundred dollars (\$500.00) and/or by imprisonment not exceeding ninety (90) days. Each day that a violation continues after due notice has been served, in accordance with the terms and provisions hereof, shall be deemed a separate offense.

#### Sec. 7-24.4. Bonds and Insurance.

Bonds and liability insurance: No person shall erect, install, remove or rehang any sign for which a permit is required under the provisions of this code until an approved bond executed by the principal and a surety shall have been filed in the sum of five thousand dollars (\$5,000.00). A certified copy of a Power of Attorney must be submitted to verify the authority of the individual signing or surety on behalf of the insurance company. Such bond or insurance policy shall protect and hold harmless the jurisdiction from any and all claims or demands for damages by reason of any negligence of the sign hanger, contractor or agent, or by any reason of defects in the construction, or damages resulting from the collapse, failure or combustion of the sign or parts thereof.

The obligation herein specified shall remain in force and in effect during the life of every sign and shall not be canceled by the principal or surety until after a 30-day notice to the code official.

#### Sec. 7-24.5. Utilities.

All new construction shall have all utilities, such as electrical service wires, cable TV wires and telephone wires, installed underground from the utility source in the public right-of-way to the new structure. PVC tubing, of the size required by the utility, shall be installed a minimum twenty-four (24) inches below grade for this purpose.

#### Sec. 7-24.6. Moved Structures.

a. No permit shall be issued to move any structure until a building permit has been obtained for the

establishment of the structure in its new location. Before issuing such a moving permit, the code official shall cause an inspection to be made of the structure and shall refuse a permit unless he finds the structure to be in a safe and sanitary condition and finds that it will be in compliance with this code and other ordinances and laws when established in its new location. A structure which has been depreciated 50% or more by the City Assessor in establishing its assessed valuation shall not be moved to any site location within the City of Wyandotte. No structure shall be moved to a new location within the City of Wyandotte unless the code official determines that it will correspond and harmonize with the architecture, size and shape of the other structures in the neighborhood and that it will result in an upgrading of the immediate area.

b. When it is necessary to use any part of a public street in moving a structure, a separate approval for the use of public streets shall be obtained after filing a bond as required in Section 3308.3. In applying for such approval, the mover shall furnish in writing a schedule of the streets to be used and the time at which the structure will reach each point in its journey. Also, written approval from every public service corporation whose property, fixtures, or equipment will be affected, endangered, or disturbed during the moving shall be submitted showing that the mover has given proper notice of his intentions and furnished suitable security for the repair of all damage caused by the moving. Approvals must also be obtained from county and state agencies where applicable. No structure shall be moved across any railroad track, except during daylight hours and in the presence of a representative of the company operating said railroad.

c. When a structure is to be moved to a new location within the City, the owner of the newly described site shall file a surety bond in favor of the City in sufficient amount to guarantee that the structure will be completed in accordance with all applicable permits and ready for occupancy within six (6) months after arrival on its new location. Said surety bond shall be approved by the Department of Legal Affairs and the sum of the bond shall be designated by the code official. When a lot is left vacant from moving a structure, said lot shall be cleaned, filled, and graded to the approval of the code official within five (5) days of the structure being moved off the site.

#### Sec. 7-24.7. Demolition.

a. All buildings, accessory buildings, sheds, concrete slabs, foundations, floors, driveways and approaches, private and service sidewalks, fences, walls, etc., shall be wrecked and removed completely. All sewers, water lines, etc., shall be plugged and/or capped satisfactorily to the code official before backfilling. An inspection of sewer capping and of foundation removal is required.

b. Site backfilling shall be completed within five (5) working days of the removal of demolished building material and debris. Failure, for any reason, to backfill the site as specified will require that the person causing the demolition or excavation install protective fencing around the site to the satisfaction of the code official.

The person causing said demolition or excavation shall maintain the fencing to ensure the purpose is being accomplished. As soon as practical, or at the direction of the code official, the fencing shall be removed and the site properly backfilled the same day.

Backfill shall be clean fill dirt, or crushed aggregate as approved by the code official, free from broken concrete, stones, wood and other miscellaneous debris. Documentation shall be submitted by the person causing the demolition or backfilling certifying that the fill dirt is non-contaminated and non-hazardous and stating the source of the fill dirt. This must be approved by the code official before backfilling operations may begin.

All backfill shall be compacted by a dozer in approximately 12" lifts.

c. Final grading: All debris and building materials shall be completely removed from the premises. The property shall be smoothly graded and left in a neat condition with no low spots in which water might stand. Final grading shall not create a nuisance to abutting property. The disturbed area shall be seeded to promote vegetation growth and reduce soil erosion. Any damage to adjacent property or abutting public right-of-way, including sidewalks, occurring during the demolition or excavation shall be repaired by the person causing said demolition or excavation at his or her own expense.

d. Permits required: All temporary occupancy of public property shall be considered and treated as being at the will of the city, and will be permitted only by special permit issued by the Department. No permit

will be issued until the applicant therefore shall have executed and filed with the City Clerk a bond with property sureties approved by the Council, in an amount to be designated by the council but in no case less than five thousand dollars (\$5,000.00) conditioned to indemnify, save and keep harmless the City from any and all loss, expense, cost or liability of any kind whatsoever which the City may suffer or be put to, from or by reason of any act or thing done or neglected to be done, or by virtue of the authority given in such permit or the requirements of the City Ordinances.

Sec. 7-25. Additional Residential Code Requirements.

Sec. 7-25.1. Other Inspections.

Other inspections include, but are not limited to;

1. Subfloor inspection for basement and garage floors, commonly made prior to concrete placement.
2. Backfill inspection, commonly made prior to backfilling foundation walls and after installation of perimeter drainage system and wall bracing.
3. Insulation inspection, commonly made prior to installation of lath and/or wallboard.

Sec. 7-25-2. Zoning Approval.

All prefabricated construction requires special approval of the Wyandotte Planning Commission subject to the terms and conditions as set forth in the City of Wyandotte Zoning Ordinance.

Sec. 7-25.3. Utilities.

All new construction shall have all utilities, such as electrical service wires, cable TV wires and telephone wires, installed underground from the utility source in the public right-of-way to the new structure. PVC tubing, of the size required by the utility, shall be installed a minimum twenty-four (24) inches below grade for this purpose.

Sec. 7-25.4. Violation penalties.

Any person, firm or corporation who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be cited for a Municipal Civil Infraction in accordance with Chapter 23.5 of the City of Wyandotte

Code of Ordinances and the defendant, if found responsible, shall be subject to a fine of not more than five hundred dollars (\$500.00). Additionally, the court may assess costs incurred in compelling the appearance of the defendant and to enforce the terms of this code. A second offense for the same violation shall constitute a misdemeanor punishable by a fine of not more than five hundred dollars (\$500.00) and/or by imprisonment not exceeding ninety (90) days. Each day that a violation continues after due notice has been served, in accordance with the terms and provisions hereof, shall be deemed a separate offense.

Section 2. Amend Article III. "Mechanical Code" of Chapter 7 by adopting Sec. 7-33.

ARTICLE III. MECHANICAL CODE

Sec. 7-33. Additional Mechanical Code Requirements.

Secs. 7-34—7-40. Reserved.

Sec. 7-33. Additional Mechanical Code Requirements.

Sec. 7-33.1. Homeowner Permits.

A bona fide owner of a single-family residence which is, or will be on completion, for a minimum of two (2) years; his or her place of residence, and no part of which is used for rental or commercial purposes, nor is contemplated for such purpose, may do his or her own work, providing he or she applies for and secures a permit, pays the fee, does the work himself or herself in accordance with the provisions hereof, applies for inspections and receives approval of the work by the mechanical inspection authority. Failure to comply with these requirements will subject the owner's permit to cancellation.

Sec. 7-33.2. Additional permit requirement.

An electrical permit must be secured before a mechanical installation permit will be issued. All electrical wiring and controls required for the operation of equipment installed under a mechanical installation permit shall comply with the City of Wyandotte Electrical Ordinance.

Sec. 7-33.3. Violations.

Violation penalties: Any person, firm or corporation who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be cited for a Municipal Civil Infraction in accordance with Chapter 23.5 of the City of Wyandotte Code of Ordinances and the defendant, if found responsible, shall be subject to a fine of not more than five hundred dollars (\$500.00). Additionally, the court may assess costs incurred in compelling the appearance of the defendant and to enforce the terms of this code. A second offense for the same violation shall constitute a misdemeanor punishable by a fine of not more than five hundred dollars (\$500.00) and/or by imprisonment not exceeding ninety (90) days. Each day that a violation continues after due notice has been served, in accordance with the terms and provisions hereof, shall be deemed a separate offense.

Sec. 7-33.4. Board of Appeals.

The Board of Appeals, established by the City's Building Code, shall serve as the Board of Appeals for this code and shall be subjected to the same rules and procedures.

Sec. 7-33.5 Floor diffusers, registers and grilles.

Floor diffusers, registers and grilles shall be prohibited in any of the following rooms:

- (a) Toilet rooms.
- (b) Bathrooms.
- (c) Washrooms.
- (d) Laundry rooms.
- (e) Utility rooms.
- (f) Kitchens.
- (g) Basements
- (h) Any adjacent room where the possibility of direct flooding may occur or where chemicals or other contaminants may enter the ducts.

Sec. 7-33.6. Fuel Oil Piping and Storage.

The provision of Chapter 13 of the 2015 Michigan Mechanical Code shall apply except for underground storage tanks permitted and regulated by the State of Michigan Underground Storage Tank Division.

Section 3. Amend Article IV. "Existing Structure Code" by adopting Sec. 7-43.

#### ARTICLE IV. EXISTING STRUCTURE CODE

Sec. 7-43. Additional Code Requirements.

Secs. 7-44—7-50. Reserved.

Sec. 7-43.1. Board of Appeals.

The board of appeals, established by the city's building code shall serve as the board of appeals for this code and shall follow the same rules and procedures.

Sec. 7-43.2. Notice of violation.

All notices shall be in writing and shall be delivered by first class mail and certified mail to the last known owner appearing upon the last local tax assessment records and each person in control of the building or structure. If person(s) addressed with an unsafe notice cannot be found after a diligent search, then such notice shall be posted in a conspicuous place on the premises.

Sec. 7-43.3. Violation penalties.

Violation penalties: Any person, firm or corporation who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure

in violation of an approved plan or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be cited for a Municipal Civil Infraction in accordance with Chapter 23.5 of the City of Wyandotte Code of Ordinances and the defendant, if found responsible, shall be subject to a fine of not more than five hundred dollars (\$500.00). Additionally, the court may assess costs incurred in compelling the appearance of the defendant and to enforce the terms of this code. A second offense for the same violation shall constitute a misdemeanor punishable by a fine of not more than five hundred dollars (\$500.00) and/or by imprisonment not exceeding ninety (90) days. Each day

that a violation continues after due notice has been served, in accordance with the terms and provisions hereof, shall be deemed a separate offense.

**Section 4. Interpretation.**

Nothing in this Ordinance or in the Code hereby adopted shall be construed to affect any suit or proceeding in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed; nor shall any just or legal right or remedy or any character be lost, impaired or affected by this Ordinance.

**Section 5. Severability.**

Severability. Should any word, sentence, phrase or any portion of this Ordinance be held in a manner invalid by any court of competent jurisdiction or by any state agency having authority to do so for any reason whatsoever, such holdings shall be construed and limited to such word, sentence, phrase or any portion of the Ordinance held to be so invalid and shall not be construed as affecting the validity of any of the remaining words, sentences, phrases or portions of this Ordinance.

**Section 6. Conflicting Ordinance.**

Conflicting Ordinances. All prior existing ordinances adopted by the City of Wyandotte inconsistent or in conflict with the provisions of this Ordinance are, to the extent of such conflict or inconsistency, hereby expressly repealed.

**Section 7. Effective Date.**

This ordinance shall take immediate effect. This ordinance is deemed necessary for the immediate preservation of the public peace, property, health, safety and for providing for the usual daily operation of the City Engineers Office and the City Clerk's Office. A summary of this ordinance shall be published in a newspaper generally circulated in the City of Wyandotte within ten (10) days after adoption. The summary shall designate the location in the City where a true copy of the ordinance can be inspected or obtained.

Motion unanimously carried.

By Councilperson Maiani, supported by Councilperson Calvin

**AN ORDINANCE ENTITLED**

**AN ORDINANCE TO AMEND CHAPTER 29 OF  
THE CODE OF ORDINANCES "PLUMBING AND GAS" BY  
AMENDING ARTICLE II PLUMBING CODE**

The City of Wyandotte Ordains:

Section 1. Amend Chapter 29 "Plumbing and Gas" by amending Article II "Plumbing Code" by adopting Sec. 29-24.

**ARTICLE II. PLUMBING CODE**

Sec. 29-24. Additional Plumbing Code Requirements.

Secs. 29-25—29-30. Reserved.

Sec. 29-24. Additional Plumbing Code Requirements.

Sec. 29-24.1 Permit Applications.

Applications for a permit shall be made in accordance with Section 106.4 of the 2015 Michigan Plumbing Code and as follows:

A homeowner who meets the following requirements: A bona fide owner of a single family residence which is, or will be on completion, his or her place of residence, for two (2) years and no part of which is used for rental or commercial purposes, nor is now contemplated for such purpose, may do his or her own work, providing he or she applies for and secures a permit, pays the fee, does the work himself or herself in accordance with the provisions hereof, applies for inspections and receives approval of the work by the code official. An owner of existing rental property may install garbage disposals and laundry trays, or perform minor repairs for which no permit is required. Providing all other requirements of this section and code are complied with. Failure to comply with these requirements will subject the owner's permit to cancellation.

Sec. 29-24.2 Permit issuance.

Permits shall be issued in accordance with Section 106.5 of the 2015 Michigan Plumbing Code and as follows:

Plans submitted for approval for hospitals, nursing homes, and homes for the aged shall be approved by the department of public health or the licensing or certifying agency having jurisdiction, or both, prior to submission to the City of Wyandotte.

**Sec. 29-24.3 Violation penalties.**

Any person, firm or corporation who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall design, install and construct plumbing systems in violation of an approved plan or directive of the code official, or of a permit or certificate issued under the provisions of this code, shall be cited for a Municipal Civil Infraction in accordance with Chapter 23.5 of the City of Wyandotte Code of Ordinances and the defendant, if found responsible, shall be subject to a fine of not more than five hundred dollars (\$500.00). Additionally, the court may assess costs incurred in compelling the appearance of the defendant and to enforce the terms of this code. A second offense for the same violation shall constitute a misdemeanor punishable by a fine of not more than five hundred dollars (\$500.00) and/or by imprisonment not exceeding ninety (90) days. Each day that a violation continues after due notice has been served, in accordance with the terms and provisions hereof, shall be deemed a separate offense.

**Sec. 29-24.4 Stop work orders.**

Upon notice from the code official that any plumbing work on any building or structure, or plumbing systems therein, or adjacent thereto is being prosecuted contrary to the provisions of this code or in an unsafe and dangerous manner, such work shall be stopped, except for work that the person is directed to perform to remove a violation or unsafe condition. The stop work order shall be in writing and shall be given to the owner of the property involved, or to the owner's agent, or to the person doing the work, or shall be posted on entrances to the building or structure where the work is being performed.

**Sec. 29-24.5 Board of Appeals.**

The Plumbing Board of Appeals shall consist of five (5) members and include the city engineer, registered plumbing inspector, licensed plumbing contractor, licensed professional engineer or architect. No more than two (2) members shall be from the same profession or occupation.

**Sec. 29-24.6 Size of water service pipe.**

Water service pipe shall be sized to supply water to the building in the quantities and at the pressures required in this code. The minimum diameter of water service pipe shall be one (1) inch. Three (3) methods for sizing the water service pipe are described in Appendix C of the 2015 Michigan Plumbing Code.

**Sec. 29-24.7. Sewer pipe and tap.**

a. Requirements. A contractor will be permitted to replace or repair only existing sewer pipe from five (5) foot outside of foundation walls to the main sewer including the replacement of the tap on the main sewer. A homeowner who meets the requirements of Sec. 29-24.1 of this code will be permitted to work on his/her own sewer pipe including the tap on the main sewer.

b. Permit and inspection. Work shall not commence until a permit for such work has been issued. Inspection is required before any work is covered.

c. Specifications. A homeowner and contractor will be required to perform all work in accordance with the specifications and applicable requirements as outlined by the city engineer. Said specifications and requirements are available at the office of the city engineer.

d. Bond requirements. Before any contractor (excluding homeowner and Master Plumbers) performs any work in the City of Wyandotte on sewers he/she must provide the City of Wyandotte with a bond in the amount of five thousand dollars (\$5,000.00) which shall be known as a sewer bond and approved by the department of legal affairs.

e. Street/Alley pavement removal. Before any homeowner, contractor, master plumber, or any individual opens any paved street, alley or sidewalk within the City of Wyandotte they are required to file a cash bond set by the city engineer for the replacement of said pavement. Said bond to cover replacement of pavement, in the event the permit holder fails to do so. Said pavement shall be replaced in accordance with the specifications as set forth by the city engineer.

f. Alley excavations. When work is performed in an unpaved public alley the excavation shall be backfilled with crushed aggregate and compacted in twelve (12) inch lifts. Aggregate backfill shall be brought level with the surrounding alley grade.

Sec. 29-24.8. Garbage grinder.

All new buildings and all buildings remodeled or altered which are designed, equipped and used for storing or sheltering food or foodstuffs for human consumption including fruits, vegetables and meats which are to be sold either at retail stores, clubs, hotels, restaurants, schools or other food establishments, or at wholesale, or which are prepared at food manufacturing or processing plants, whether such places of business are licensed under the provisions of any Wyandotte City Ordinance, or not, and all buildings, including residences, where foods for human consumption are prepared, sold, handled, stored or served in any manner whatsoever, shall be equipped with an appropriate type of garbage grinder, properly connected to the kitchen sink or sewer drain; which grinder and connection shall be of sufficient size to grind all garbage and food processing wastes produced in such building, and shall be suitably located so as to discharge such ground material by flushing it with water through the drain pipes into the sewer.

Section 2. Interpretation.

Nothing in this Ordinance or in the Code hereby adopted shall be construed to affect any suit or proceeding in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed; nor shall any just or legal right or remedy or any character be lost, impaired or affected by this Ordinance.

Section 3. Severability.

Severability. Should any word, sentence, phrase or any portion of this Ordinance be held in a manner invalid by any court of competent jurisdiction or by any state agency having authority to do so for any reason whatsoever, such holdings shall be construed and limited to such word, sentence, phrase or any portion of the Ordinance held to be so invalid and shall not be construed as affecting the validity of any of the remaining words, sentences, phrases or portions of this Ordinance.

Section 4. Conflicting Ordinance.

Conflicting Ordinances. All prior existing ordinances adopted by the City of Wyandotte inconsistent or in conflict with the provisions of this Ordinance are, to the extent of such conflict or inconsistency, hereby expressly repealed.

Section 5. Effective Date.

This ordinance shall take immediate effect. This ordinance is deemed necessary for the immediate preservation of the public peace, property, health, safety and for providing for the usual daily operation of the City Engineers Office and the City Clerk's Office. A summary of this ordinance shall be published in a newspaper generally circulated in the City of Wyandotte within ten (10) days after adoption. The summary shall designate the location in the City where a true copy of the ordinance can be inspected or obtained.

Motion unanimously carried.
