2021-291 LEGISLATIVE REDISTRICTING RESOLUTION OF SUPPORT

By Councilperson Crayne, supported by Councilperson Alderman

WHEREAS, the Downriver Community Conference (DCC), a consortium of twenty Downriver communities in Wayne County whose total population exceeds 500,000, has joined in an effort to improve local government and enhance the quality of life for area residents through municipal cooperation; and

WHEREAS, the Southern Wayne County Regional Chamber (SWCRC), representing 21 communities in most of the same DCC area, works in cooperation with DCC on legislation that affects this entire region; and

WHEREAS, DCC & SWCRC have been working together as a united voice to get our regional economy restarted and on track while protecting the health and safety of our citizens. In addition to our representatives in Lansing and Washington working to provide critical resources for our region, we will need to focus on strong and effective initiatives to encompass the 'whole' of our area; and

WHEREAS, we share common bonds linked to public policy issues or identities that may be affected by legislation; likely to result in a desire to share a united regional congressional district, and equally established state legislative districts within the region in order to secure more effective representation; and

WHEREAS, the Downriver Mutual Aid (DMA) was created more than 50 years ago, in 1967, in order to

formalize the cooperative relationships that already existed between and among police and fire departments throughout the region, for Public Safety. DCC serves as the Administrator for DMA. For generations, communities had assisted each other when a neighbor called for help; providing backup when police officers were stretched thin during a crisis or sending additional firefighters to battle blazes that threatened a community. But with the creation of the DMA, that help grew to include a number of more sophisticated services that no single department or city could offer, such as creating a regional SWAT Team, a Crisis Negotiations Team, an Underwater Search & Recovery Team (Dive Team), Drug Enforcement Team, the Downriver Auto Theft Team (DRATT) and a Uniformed Police Task Force. Other efforts of DMA include DMA 911 and Radio Communication Services; and WHEREAS, DCC and SWCRC share historical economic interests associated with a contiguous area on a map, together representing communities along the Detroit River from River Rouge and along the southeastern border to Rockwood, and westerly from Dearborn, Huron Township, Van Buren Township, and Belleville down to the Wayne/Monroe County line; and WHEREAS, Congressional and state legislative district boundaries must be drawn according to existing municipal boundaries, and shall not divide municipalities and their constituents into separate districts of representation; and WHEREAS, it is our priority, along with the unification of Downriver and the 21 Southern Wayne County communities into one congressional district, to support efforts to re-align/redistrict our area to the strength of bringing all these communities together to benefit the region as a whole. NOW THEREFORE BE IT RESOLVED, that the City of Wyandotte along with the DCC Board of Directors working in unification with the SWCRC, supports the Congressional Redistricting to encompass this region with the same representation. Motion unanimously carried.
