**AGENDA ITEM # 1**

**ITEM: Request to Remove Tree at 555 Poplar Street**

**PRESENTER:** Gregory J. Mayhew, City Engineer

**INDIVIDUALS IN ATTENDANCE:**

**BACKGROUND:** On April 11, 2022, Council received a request from Amanda McCuean-Lough of 555 Poplar Street, to remove a tree located between the sidewalk and curb. Ms. McCuean-Lough is in disagreement with the City of Wyandotte's Arborist evaluation of the tree being healthy and not meeting the requirements for removal in accordance with the City of Wyandotte Policy on Tree Removal, Trimming and Planting, adopted in April of 2021.

The request has been reviewed by the Engineering and Building Department and the DPS. The tree is a healthy Silver Maple, 52" DBH, approximately 75' in height with a 50' canopy. The tree has two (2) dead limbs and a work order was created to remove the limbs and raise the canopy. See attached Work Orders 1040211 and 1040244.

Examination of the sidewalk showed no defects adjacent to the tree.

The tree does not meet the criteria for removal by the City.

**STRATEGIC PLAN/GOALS:** To encourage and respect citizen participation and provide transparency in all city matters and to comply with and enforce all the requirements of our laws and regulations.

**ACTION REQUESTED:** Deny the request to have the City remove the tree in the City right of way at 555 Poplar Street.

**BUDGET IMPLICATIONS & ACCOUNT NUMBER:** N/A

**IMPLEMENTATION PLAN:** If Council concurs with the recommendation, forward a copy of the resolution to Ms. McCuean-Lough.

RESOLUTION by Councilperson \_\_\_\_\_

RESOLVED by City Council that the communication from the City Engineer regarding the request to remove a tree from the public right of way at 555 Poplar Street is hereby received and placed on file, and further, Council concurs with the recommendation of the City Engineer to deny the request that the City remove the tree and directs the City Clerk to send a copy of this resolution to Ms. McCuean-Lough.

The cost of planting replacement trees shall be borne by the property owner authorized to remove a tree. The authorized property owner shall provide a one (1) year warranty for the replacement trees.

2. Once the new trees are planted, the authorized property owner shall obtain a tree cutting permit from the Department of Engineering and Building. Approval of the permit will require the execution of a Hold Harmless Agreement. The removal of the tree shall be by the abutting property owner at their expense. Dear Mayor and Members of City Council:

While we are still in the grips of winter, thoughts of a warmer spring are not far behind. It is my pleasure to inform you that the 56<sup>th</sup> Hebda Cup rowing Regatta will be contested on Saturday, April 30, 2022 and the Wy-Hi Regatta will follow on Saturday, May 7, 2022. In case of bad weather the competitions may run the following day.

We are expecting both boys and girls high school rowing teams to compete from around the state of Michigan, Ohio, West Virginia, and Pennsylvania.

We ask your permission to use the BASF Waterfront Park for these dates and also ask for your support in providing assistance as has been afforded us in the past by the DPS and Recreation departments.

We once again ask that Biddle Avenue be closed between Pine and Third Streets during the regattas to provide parking and storage for the visiting teams busses and shell-trailers. We will work with the DPS to minimize the time the street is closed.

Every year we receive numerous compliments about BASF Waterfront Park and the hospitality of the city from visiting crews. We are proud to play host to these dedicated high school male and female athletes.

We do hear from local businesses that these events bring extra business and dollars for our city, especially the restaurants in the area.

Sincerely Yours,  
For the Wyandotte Boat Club

Honorable Mayor Robert DeSana & Wyandotte City Council  
3200 Biddle Ave.  
Wyandotte, MI 48192

The Board of Directors of Seaway Boat Club, a Non-Profit Club, is requesting a waiver for the Outdoor Café License Fee now being required by the City of Wyandotte.

We believe we are exempt from this fee based on the following facts.

- We are a non-profit
- We are not open to the public and there is no public access
- Our property is private
- We are not serving on City property

We have been at this location (6 Perry Place, Wyandotte, MI 48192) for 77 years

Covid has cut our revenue in half and we received no small business relief or stimulus of any kind. An exemption from the Outdoor Café License Fee would give us at least some relief.

Thank you for your time and consideration of this request.

## Information needed for upcoming council meeting

To Whom It may concern,

I was notified from the Department of Engineering and issued with a complaint due to two 4x4 poles and back yard lights hanging in between causing an encroachment to the Alley.

These poles are directly behind my fence causing no restricting access to the Alley.

I feel that I am being singled out as there are other homeowners with flower beds, Veggie gardens, wood piles and tools at least 3 feet in distance from the back fence of their property into the alley.

I purchased this home in August of 2020 with the poles in position at the time of purchase. The city conducted an inspection of the property without any indication or concern that this would become an issue. Thus, passing the inspection without any pending conditions of these poles being removed.

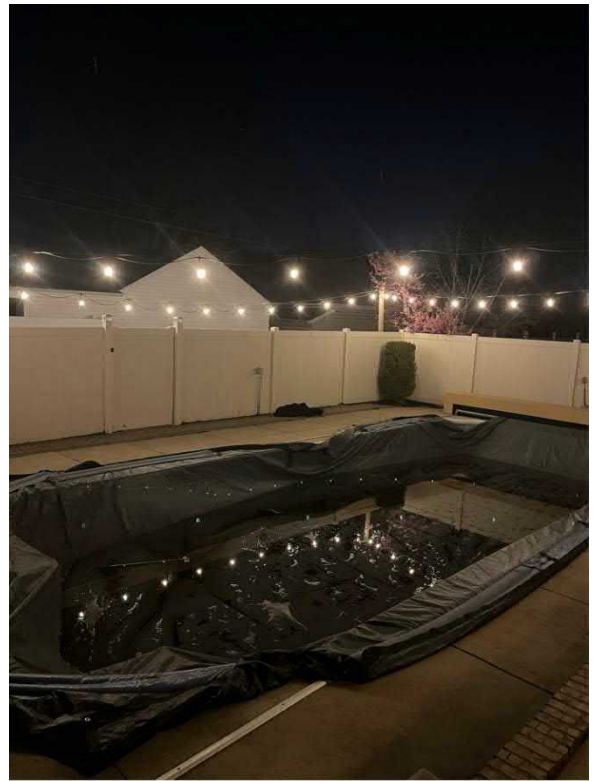

It has been nearly two years since the time of purchase and this has caused no harm nor burden on the alley or any other homeowners.

I am seeking an exception from the city to allow for these poles to remain in position as they provide lighting in the backyard during summer nights for children using our pool past sunset and is a safety necessity.

Below; I have included pictures of the poles and lighting being utilized on my property, I have also included pictures from other properties on my street and the usage of their alley. From these pictures you will see our poles and usage of the alley is miniscule vs. other homeowners.

Honorable Mayor and Council,

I, Everett Tasselmyer, am requesting approval to have a hazardous tree removed from the public right of way in front of my home at 1738 13<sup>th</sup> street. This tree is currently not dead, diseased, or dying as confirmed by Brian Martian via phone on Wednesday March 30<sup>th</sup>.

This tree currently poses a threat to anyone walking by since it drops seeds that are the size of golf balls with spikes, which can be very hazardous to small children. It has been witnessed this past year a seed dropping onto a baby carriage, luckily the top part was out to protect the child's head. It is also a worry in the future that this tree with already exposed roots could cause a heaving sidewalk which could become a tripping hazard.

This tree has been inspected by Ed who is the owner of One of a Kind Tree Services. Per the inspection this tree has multiple weak spots from hollow holes and stress cracks in both the base and limbs of the tree. The holes and cracks pose a hazard to anyone walking by, cars passing, my property, and neighbors' property.

From this information provided I am requesting approval to remove this tree at my personal expense by One of a Kind Tree Service. The future goal is to plant a healthy tree with approval, one that adheres to the size and type of tree on the Wyandotte approved list of trees, that won't pose such a large threat. Thank you to the Honorable Mayor and Council for the time and consideration on this matter.

Thank you,

Everett Tasselmyer

<p><b>Provide a brief biography including your skills, background and expertise, as well as involvement in the community, professional or other nonprofit organizations that are specifically applicable to this board or commission.</b></p> <p>           Hello! My name is Joanna Brookshire and I am 37 years old. I am originally the Melvindale/Allen Park area but moved to Wyandotte with my family in 2009. I have two sons, Caleb 12 and Dylan 9, and I have been married for 13 years. I have recently opened my own business here in Wyandotte, an independent bookstore, Brooks Books. The first thing you will see when you enter my store is not only books, but plants! I have 19 house plants in my store and more than 150 house plants in my home. I also have a full flower garden that includes: roses, hydrangeas, azaleas, rhododendron, lilies, and irises to name a few. I have a pretty incredible green thumb! About three years ago I decided to expand my plant knowledge to an outdoor fruit and veggie garden. I have nine raised garden beds including one that houses herbs. I worked for several years for Lowe's as their outdoor garden associate/receiver and gained vast knowledge and a love for all plants. I would love to be considered for this position with the City of Wyandotte! Thank you for your time.         </p>

Describe any experiences that led to your desire to serve the community.
As stated above, I have years of personal and professional experience with gardening. I am finally able to set aside my years of being a stay-at-home, to become more involved in some of my own personal passions. I am excited to get more involved in the community through my business here in the city. My family and I are also big supporters of youth sports here in Wyandotte. We have coached and several of our sons' sports teams and have many years of being part of the athletic community ahead of us.

AGENDA ITEM # 9

**ITEM: Charter Amendment - Operating Millage**

**PRESENTER:** Todd A. Drysdale, City Administrator

**INDIVIDUALS IN ATTENDANCE:** N/A

**BACKGROUND:** The City's General Fund continues to project a revenue shortfall as a result of the sharp decrease in taxable value which occurred in 2008. Previously, in November of 2011, the City Council approved a ballot question asking to increase the operating millage by an additional 1.75 mills for a three (3) year period which was approved by the voters. In May of 2014, the City Council approved a ballot question asking to increase the operating millage by an additional 3.00 mills for a five (5) year period which essentially replaced the previous additional operating millage approved in 2011. In May of 2019, the City Council again approved a ballot question to maintain the supplemental operating millage of 3.0 mills for an additional five (5) year period. This additional operating millage was approved by the voters and is scheduled to expire at the end of the 2023FY.

The City's taxable value continues to be 10% less than its peak in 2006. This loss of taxable value results in an annual reduction in tax revenue from the normal operating millage of \$876,000. In addition, the following annual expenditures have increased dramatically since that time:

1. Defined Benefit Retirement Contribution - \$1,355,000 annually
2. Retiree Health Care Expenditures - \$1,228,000 annually

As a result, the preliminary 5-Year Financial Forecast for the City's General Fund for the 2022FY budget indicates the following annual shortfall in revenue:

2022FY - ( 82,000) <- includes supplemental operating millage  
2023FY - ( 119,000) <- includes supplemental operating millage  
2024FY - (1,408,000)  
2025FY - (1,545,000)

Attached is a draft resolution that would again place a millage increase on the ballot for voter approval. The additional 3.00 operating mills approved in May, 2019, will end with the 2023 fiscal year which is the primary reason for the significant projected shortfall beginning in the 2024FY.

The “renewal” of the 3.00 mills would reduce the estimated shortfall to the following:

2024FY – (172,000)

2025FY – (305,000)

It is clear that even if the City’s taxable value returns to pre-2006 levels, the slow pace of the recovery coupled with the permanent increases in annual expenditures over the past fifteen (15) years have changed the supplemental operating millage from a stop-gap measure to a permanent necessity. As such, it is recommended that three (3) mills be submitted to the voters for permanent approval.

The filing date for local proposals with the County of Wayne is May 20, 2022, for the August 2, 2022, election. Thus, it is prudent to get approval for the ballot wording at this time.

**STRATEGIC PLAN/GOALS:** To provide the finest services and quality of life. To be financially responsible.

**ACTION REQUESTED:** Concur with the recommendation and direct the Department of Legal Affairs to prepare the necessary ballot language to permanently increase the charter tax rate limitation for general operating purposes for City Council approval.

**BUDGET IMPLICATIONS & ACCOUNT NUMBER:** The City will realize approximately \$1,236,000 in additional tax revenue in the first year if the charter amendment is approved

**IMPLEMENTATION PLAN:** City Administrator to work with the Department of Legal Affairs to prepare the ballot language to be approved by the City Council which will then be forwarded to the State’s Attorney General for approval prior to the deadline established by the County Clerk.

**REQUEST FOR COUNCIL ACTION**

**MEETING DATE: 4/25/2022**

**AGENDA ITEM # 14**

**ITEM: Police Department Purchase of Electronic Citation Printers**

**PRESENTER:** Brian Zalewski

**INDIVIDUALS IN ATTENDANCE:** N/A

**BACKGROUND:** The police department is requesting to purchase (20) Brother RJ-4200 Electronic Citation printers and supporting hardware for our marked police patrol vehicle fleet. Our current electronic printer model, Seiko DPS-S445, is using antiquated technology that is not supported by our current Tyler Technologies/SINC mobile reporting and CAD system. Our model of the SEIKO printer is also out of warranty and has been discontinued. Tyler Technologies has been testing our SEIKO printers since 2021 and has found they are out of date devices that are not compatible with the current software. Wyandotte is not the only police agency facing this issue, other police agencies in the SINC group that utilize the SEIKO printers are purchasing the new Brother RJ-4200 electronic printers as well. Because our SEIKO printers are not working, our officers must handwrite citations and then have to return to the police station to manually enter them into our SINC reporting system.

The printers will be purchased directly from Tyler Technologies, our contracted source for this type of electronic hardware. Tyler will test and register each electronic printer in our client's database, which will support the appropriate software information and provide replacement services to reduce downtime. Tyler Technologies also holds a contract with Michigan MIDEAL and provides these printers at a price below the competitive market price. The total cost of this purchase is \$15,780.00.

The Police Commission has reviewed and approved this purchase.

**STRATEGIC PLAN/GOALS:** To maintain our fleet of police vehicles with the necessary mobile computer equipment which is consistent with the City of Wyandotte's strategic plan.

**ACTION REQUESTED:** City Council approval to purchase (20) Brother Electronic Citation Printers and supporting hardware.

**BUDGET IMPLICATIONS & ACCOUNT NUMBER:** Funds for this purchase are available in the police department's budget account #101-000-257-069, Civil Reimbursement-Police Equipment

**IMPLEMENTATION PLAN:** If approved by City Council, the order will be placed with Tyler Technologies and, once received, installed in the police vehicles.

**AGENDA ITEM # 16**

**ITEM: Alley Vacation between Cherry Street and Plum Street West of 3rd Street**

**PRESENTER:** Gregory J. Mayhew, City Engineer

**INDIVIDUALS IN ATTENDANCE:** n/a

**BACKGROUND:** The Engineering Department received a petition from 3628 3rd Street and 335 Cherry to vacate the 20 foot wide alley running north/south between Cherry Street and Plum Street west of 3rd Street adjacent to their properties. See attached petition and map indicating the area to be vacated. A review of the alley way indicates that there is a sewer present, which can be accessed and maintained through manholes not located in the alley vacation. Municipal Service has reviewed the alley and does not object to this alley vacation.

There is a moratorium on alley vacations. However, the City has allowed vacations where access to utilities is not limited. In this case, access would not be limited.

If you concur with this vacation, the proper resolution has been prepared for your consideration.

**STRATEGIC PLAN/GOALS:** This recommendation is consistent with the 2010-2015 Goals and Objectives of the City of Wyandotte Strategic Plan in matching tools and efforts to the conditions in city neighborhoods; and tracking infrastructure conditions in all neighborhoods.

**ACTION REQUESTED:** Approve the vacation of the portion of the north/south alley between Cherry Street and Plum Street west of 3rd Street.

**BUDGET IMPLICATIONS & ACCOUNT NUMBER:** N/A

**IMPLEMENTATION PLAN:** Adopt the Resolution to schedule the required hearing.

**LIST OF ATTACHMENTS:**

1. Petition for Vacation

Member Szymczuk asked about sound barriers. Mr. Martin stated that it will be sound proof, there will be no disturbance. Member Szymczuk asked about the garage doors. Mr. Martin replied they will be permanently fixed, they will not be useable. Member Szymczuk asked about the parking. Mr. Martin stated there are 2 spaces behind the garage, and on 1<sup>st</sup> Street, there is parking for 5.

Member Trupiano asked Mr. Martin when he was doing this in his home, had there been any complaints. Mr. Martin replied no, the difference is that he just had a small room in his home and just him recording. The studio will allow a higher level of recording. Mr. Martin explained how he would stop the sound, and added that the neighbors are aware of what he does and will be doing. Member Trupiano asked if there will be open rafters or drop ceiling. Mr. Martin replied one room will have drywall ceiling with storage, the other room (recording room) he will leave open rafters, this will be better results for sound. Member Trupiano asked if the modifications could be reversible. Mr. Martin replied that it could be, but he will not be choosing to do that.

Member Olsen asked about the stairs on the drawing. Mr. Martin stated that had changed, and there will be pull down stairs. Member Olsen asked if there will be a bathroom. Mr. Martin replied no, they will use the one in the house.

### **Appeal #3371**

Acting Chairperson DiSanto read the appeal and asked that it be explained.

Mr. Ballard explained that Aldi's had purchased his back yard and bought the home to the south of him, which was demolished. Mr. Ballard continued that he wants a garage and that he has also added an addition and put in a pool. There will be a bathroom in the garage (seasonal room), firewall on the side and back (if granted).

Member Flachsmann commented that there is no backyard, and the sideyard is by the neighbors' rear yard and added that it would be nice for a garage.

Member Olsen asked if the pool was existing. Mr. Ballard replied yes. Member Olsen asked if there would be space between the shed and garage. Mr. Ballard replied at least 36".

Member Wienclaw asked size of garage. Mr. Ballard replied 15' wide, long, and L shaped.

Member Trupiano asked Mr. Ballard if he would be close on lot coverage and had discussion regarding this. Member Trupiano asked about lot drainage. Mr. Ballard explained that when Aldi's put up the wall, it trapped water, and he has to pump it into the storm system, and added that the neighbors yards are low.

Henry Lee (representing Christopher Lee), 2947 23<sup>rd</sup> Street, present.

Mr. Lee stated that the Ballard's are the best neighbors they have ever had, Mr. Ballard snow blows and edges for the neighbors, and he supports the project. Mr. Yee added that the house next door to Mr. Ballard has an attached garage, and there has never been a problem and it is hard to park on the street, and he supports any off street parking.

Acting Chairperson DiSanto commented that the applicant is addressing the drainage, and that he had also spoken with the City Engineer, and the Engineering Department will address also.

One communication was received in opposition to this appeal.

**Subject:** Appeal #3371 - Joe Ballard

You don't often get email from [khowlett@mkwcpa.com](mailto:khowlett@mkwcpa.com). [Learn why this is important](#)

Presently, I would NOT AGREE that the WHOLE proposed detached garage ( you mentioned only a portion of the garage will be in the side yard in your letter) or any garage be located in the side yard for the following reasons:

- DRAINAGE, DRAINAGE, DRAINAGE

Since the completion of the " Aldi / Ballard " conversion of residential property to commercial property I have experienced flooding in the rear of my property as well as my neighbor to my east. Both Aldi and Ballard both have increased the grade of their respective improved properties to the point that my backyard and my neighbors backyard has become a retention pond. This past week I had a pond that was 10 inches deep at the fence line. The area covered a 15 foot strip along the fence line stretching approximately 40 feet long.

Aldi needs to rework the green space so that it drains (North) toward their parking lot along side their expanded building. Presently the grade is mounded approx.. 30 inches in the center tapering off to all sides of the green space hence the flooding. Aldi even covered the last 9 inches of a wood fence that the former residence had erected years ago which butts up to my property.

The flooding in Joe's yard, this past summer, was so bad that I have seen him pumping water over the beautiful red brick wall Aldi constructed for Joe. I wondered why Aldi did not construct the same brick wall across their side yard facing the back of my house as Daly had to do for the residents on the South side of Maple behind their homes. My understanding is that Aldi did not want to spend the additional money for a wall separating the back of Joe's house and side yard.

**Until the drainage issue is resolved I see no point for further development on Joe's property as it will only increase flooding in my yard as well a my neighbor to my east.**

- HARD SURFACE AREA

Joe has completely covered his side yard in concrete and created a flooding situation as the rain water has no where to go except the lowest point in the area...My and my neighbors backyard. By adding a garage ( more surface area ) I can see it only making things worse regardless of whether it

is a 12 ft. set back or a 7.6 ft. set back. Joe's needs to rework his back yard so that things will drain towards 23<sup>rd</sup> Street (East) and NOT drain (South) towards Maple St.

Lastly, I blame my city officials for allowing this to happen on their watch. Can you spell **INSPECTION** before signing off on new construction. It is my hope that the City did not issue a Certificate of Occupancy to Joe or Aldi.

Thank you,

Kevin Howlett
