

This appeal is respectfully submitted to your Commission for hearing because:

It is my understanding and belief that the City Engineer has erred in finding that the building and/or use covered by the application is not in conformity with all the provisions of the zoning ordinance.

It is my understanding and belief that the Commission is expressly given the power to authorize the Certificate under Section _____ of the zoning ordinance.

It is my understanding and belief that unusual conditions applying to my land render the strict application of the provisions of the ordinance unduly harsh and unreasonable to an extent not intended by the ordinance and not generally suffered by others.

In my support of this claim, I submit the facts and information contained herein, which are made a part of this appeal, and are to the best of my knowledge, true and accurate.
