COMMUNICATIONS MISCELLANEOUS

October 26, 2007

Dear Wyandotte City Council:

As a resident of Grosse Ile I don't have access to the free county bridge until Dec. 15 and need to reach the Island by way of Pennsylvania Road in Wyandotte. In driving down Pennsylvania, I have noticed several things which I would like to share with your council. One is the corner of Pennsylvania and West Jefferson in front of the sewage treatment plant which is attractively planted. As a member of the Island Beautification Committee and a board member of Keep Michigan Beautiful, I appreciate all efforts to beautify a community!

Another is the number of dead trees that are lined up underneath the utility poles along Pennsylvania. Either they are completely dead or they have lost all of their leaves on the major portion of the tree. Perhaps you could cut down the dead trees and replace them with trees that wouldn't grow into the utility poles.

The third observation is a set of unused railroad tracks just beyond the regular railroad tracks and the turn off to that auxiliary road running obliquely off Pennsylvania. These tracks go nowhere and cars bump over them.

I'd like to ask the Wyandotte City Council if those tracks might be available! The Grosse Ile Historical Society board, of which I am a member, is working toward securing a railroad car to sit on a spur next to our historical museum on Parkway. The museum is the old depot which served the Island when a railroad crossed Grosse Ile to get to Canada. We'd like to capture the flavor of the old days when trains regularly came to Grosse Ile. Those tracks would provide a place where the RR car we're hoping to procure could be secured.

Would the City of Wyandotte help us with this project by arranging to remove these unused railroad tracks? Please advise how we should proceed to make this a possibility.

Thanks in advance,

Pamela A. Frucci, 24531 Hickory Circle, Grosse Ile, MI 48138

COMMUNICATIONS FROM CITY AND OTHER OFFICIALS

November 8, 2007

Honorable Mayor and City Council City of Wyandotte  
3131 Biddle Avenue  
Wyandotte, MI 48192

RE: The 47th Annual Wyandotte Street Art Fair to be held on July 9-12, 2008.

Dear Mayor and City Council Members:

This letter is being sent to request of the City Council the parameters and perimeters specified in the attached draft resolution. This is being presented with an exact outline to last year and at this time do not request for additional area to expand acknowledging traffic and other circulation issues may yet be worked through. This request also addresses the WBA parking lot use partly for crafters, and paid parking for Crafter Alley activities.

Sincerely,

Lisa Hooper, Executive Director, Downtown Development Authority

November 8, 2007

The Honorable City Council  
City of Wyandotte  
3131 Biddle Avenue  
Wyandotte MI 48192

Gentlemen and Madam:

I am writing to offer my support of the request by the Wyandotte Street Art Fair Committee to allow the Wyandotte Business Association to use the southern half of the Oak Street parking lot for the display and sale of handmade craft items, with the other half being used either for parking for crafters or for paid parking for art fair patrons.

There may be people who use that parking lot during the course of the year at no charge that would have to pay for parking during the Street Art Fair if they wished to park at that location. When the post office was built, they were required to provide parking for their employees and did so by constructing a parking lot on Chestnut between 1st and rd Streets. This has worked well until now, however, the post office now provides vehicles to their employees who deliver mail and the employee parking lot is now being used to park those vehicles, leaving no place for the employee parking. If you approve the proposed use of City Parking Lot #11 during the 2008 Street Art Fair, I will notify the Wyandotte Postmaster that any employees currently using the City Lot #11 may have to pay for parking during the Street Art Fair if they wish to park at that location.

All of you know that the tenants in the apartment complex on the north side of Oak Street use the City parking lot as well. I think the day is coming when those who live downtown and use public parking may have to help pay for the upkeep of the lots they use, perhaps by issuing permits which would require a fee that could be used to help maintain our downtown parking lots.

I appreciate the opportunity to express my viewpoint on this issue. A joint letter will be forthcoming for your consideration from the City Engineer, Chief of Police, Fire Chief and me with regard to the possible closing of Biddle Avenue between Oak and Chestnut, as well as a suggested alternate traffic by-pass during the 2008 Street Art Fair.

Sincerely,

James R. DeSana, Mayor

Re: Biddle Avenue and First Street Property Owned by Maxwell Trowbridge Gail  
Revocable Trust 2848/2954/2958 Biddle

Dear Mr. Kowalewski:

This firm represents Carolina First Bank as Commercial Co-Trustee for the Maxwell Trowbridge Gail Revocable Trust, and is contacting you regarding certain issues before the City of Wyandotte, Michigan referencing the above property. A review of the minutes of a Show Cause Hearing held on September 10, 2007, and the minutes of the hearing taken January 31, 2007 provided by your office indicate a need for necessary repairs to the structure referenced above.

Please be advised that my client, as Commercial Co-Trustee for the Maxwell Trowbridge Gail Revocable Trust, stands ready, willing and able to act as required to provide the funds necessary for the repair and maintenance to the subject property. Notwithstanding the foregoing statement, any action taken by my client, as Commercial Co-Trustee of the Maxwell Trowbridge Gail Revocable Trust, is contingent upon approval of the Individual Co-Trustee, Ann Gail, and/or the Trust Beneficiaries. Please be advised also that, after significant research, it cannot be substantiated that any request has ever been made by the Individual Co-Trustee, Ann Gail, regarding the issues discussed in the Transcript of Testimony provided to my client. It is true that my client expects the appointment of a new Commercial Co-Trustee in the Wyandotte area, however, until there is a new Commercial Co-Trustee, my client is administering the Trust as needed.

If so directed by the Individual Co-Trustee, Ann Gail, you may expect my client to act expeditiously and in full cooperation. Additionally, if it becomes apparent that the assets of the Trust are placed at risk by these proceedings, or if direction on the part of the Individual Co-Trustee to enact a remedy is not timely given, my client is prepared to consider acting unilaterally.

If you have any questions, comments or concerns regarding this matter, please do not hesitate to contact me at your earliest opportunity.

Sincerely,

FINGER FRASER & ANDREWS, P.A.  
Denson H. Fraser, Jr.
