2406 8th Street

3102 9th Street

2421 10th Street

474 Cedar

2250 Cora

1472 Dee

1147 Oak

Some of these homes are “visitable,” meaning that at least one entrance to the house is accessible by wheel chair. Additionally, the first floor will include as a minimum, the living room, kitchen, one full bath room and one bedroom all with wider doorways. The bathroom will have blocking so that grab bars can easily be installed by the owner. Some of the visitable homes are ranches with all three bedrooms on the first floor.
