**AGENDA ITEM #** \_\_\_\_\_

**ITEM:** Sale of Former McKinley School at 640 Plum Street

**PRESENTER:** Mark A. Kowalewski, City Engineer and William Look, City Attorney

**INDIVIDUALS IN ATTENDANCE:** Mark A. Kowalewski, City Engineer; William Look, City Attorney; Giuseppe DiSanto, Coachlight Properties, LLC

**BACKGROUND:** At the December 14, 2015, City Council meeting Council directed the City Engineer and City Attorney to negotiate a Purchase Agreement with Coachlight Properties LLC, for the sale of former McKinley School Site at 640 Plum Street. The Purchase Agreement includes the following:

- a. Sale of the property for \$1.00
- b. Maximum number of units to be 60. (Thirty (30) units will be in the existing building and thirty (30) units will be in the new construction.)
- c. Parking will be provided at a rate of 1.5 parking spaces per unit
- d. Any additions to the building will be of same architectural style as existing building
- e. Reconfiguration of existing park space with buyer committing up to \$100,000 for improvement subject to City's approval. Buyer to maintain Public Park.
- f. The City's support for an Obsolete Property Rehabilitation Act Exemption (OPRA) and Brownfield Plan is included in Paragraph 35.H. City representatives and Coachlight Properties LLC representatives have met with the Michigan Economic Development Corporation (MEDC) regarding the potential for capturing state school tax as part of a future Brownfield Plan. After these meetings, state school tax capture will not be pursued. The elimination of the state school tax capture adds four (4) years to the reimbursement period for the Senior Housing Project. A Senior Housing Development with the 12 year OPRA and Brownfield Plan still generates more net tax revenue for the City compared to the other alternatives (see revised Tax Revenue Analysis).

In addition, the State of Michigan Historic Preservation Office (SHPO) Supervisor has provided support for the project being included on the National Register of Historic Places. He indicated the architectural detail and overall design of the building including potential renovations makes the building an ideal candidate.

**AGREEMENT FOR PURCHASE AND SALE**

THIS AGREEMENT FOR PURCHASE AND SALE (the "**Agreement**") is entered into by and between THE CITY OF WYANDOTTE, ("**Seller**") and THIRD WATCH SENIOR L.P. a Michigan limited partnership ("**Buyer**").

**BACKGROUND:**

Seller is the owner of that certain property identified as the McKinley School located at 640 Plum Street, Wyandotte, Michigan and consisting of approximately 2.7 acres which is described on Exhibit "A" attached hereto and made a part hereof (the "**Property**"), upon which Buyer intends to construct a senior housing facility for independent senior residents, together with related amenities (the "**Intended Improvements**"). The parties to this Agreement agree to the sale and purchase of the Property on the terms and conditions which are set forth herein. The effective date of this Agreement shall be the date upon which the last party hereto fully executes this Agreement (the "**Effective Date**").

In consideration of the mutual covenants and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows.

**AGREEMENT:****1. Purchase and Sale.**

Subject to all of the terms and conditions of this Agreement, the Seller will sell to the Buyer and the Buyer will purchase from the Seller the Property, together with all appurtenances, rights, easements, rights of way, permits, licenses and approvals incident or appurtenant thereto.

**2. Purchase Price and Payment.**

(a) The purchase price to be paid by the Buyer to the Seller for the Property is One Dollar and 00/100 Cents (\$1.00) (the "**Purchase Price**"), subject to adjustments and prorations as set forth in this Agreement.

(b) Seller acknowledges receipt of the sum of Ten Thousand Dollars (\$10,000.00) ("**First Deposit**") paid by Buyer to Seller as an earnest money deposit. The First Deposit is fully refundable to the Buyer if Buyer terminates this Agreement any time prior to expiration of the Governmental Approval Period. Thereafter, within ten (10) business days following the expiration of the Investigation Period, Buyer shall deliver to Seller the sum of One Thousand Dollars (\$1,000.00) (the "**Second Deposit**"). The Second Deposit is fully refundable to the Buyer if Buyer terminates this Agreement prior to the expiration of the Finance Approval Period (hereinafter defined). If Buyer elects to proceed with this transaction following the expiration of the Finance Approval Period, then the Second Deposit shall become nonrefundable (except as set forth below). The First Deposit and Second Deposit are hereinafter collectively referred to as the "**Deposit**". All interest earned on the Deposit shall be paid to the Buyer, unless the Buyer defaults under the terms of this Agreement, and in such event the interest earned on the Deposit shall be paid to Seller. Pursuant to the terms set forth above, after the applicable deadline, portions of the Deposit shall be non-refundable, **except** in the event that (i) the Seller fails, refuses or is unable to perform all of its obligations under this Agreement; (ii) one or more of the Closing Conditions in favor of Buyer set forth in Section 9 have not been satisfied; or (iii) as otherwise specifically provided in this Agreement.

Conditions in favor of Buyer set forth in Section 9 have not been satisfied; or (iii) as otherwise specifically provided in this Agreement.

(c) The Deposit shall be applied to the Purchase Price at Closing or credited to the Buyer in the event the Deposit exceeds the Purchase Price. On the Closing Date (as defined in Section 10), Buyer shall pay to Seller the balance of the Purchase Price subject to the credits, adjustments and prorations as herein provided, by a cashier's check or by wire transfer of United States Dollars.

### 3. Purchase and Sale.

Commencing on the Effective Date, Buyer shall have one hundred twenty (120) days ("**Investigation Period**") to investigate the Property and to satisfy itself with respect to the condition of the Property, including but not limited to, the environmental status and condition of the Property and the feasibility of future development of the Property and to determine the suitability of the Property for the development of the Intended Improvements. Buyer shall have the right to investigate any and all aspects of the Property it deems appropriate, in its sole and absolute discretion, and Seller agrees to cooperate with Buyer in Buyer's review and inspection of the Property, including but not limited to the (i) physical inspection of the Property, (ii) soils investigation, (iii) environmental assessment, (iv) survey and topographical study, (v) wetlands assessment, (vi) condition of title, (vii) engineering, utilities and site planning studies, (viii) marketing and financial feasibility studies, and (ix) determination of the feasibility of obtaining the appropriate zoning entitlements from the governmental agencies having jurisdiction over the Property. During the Investigation Period, Seller will provide Buyer and Buyer's agents with access to the Property for the purposes of conducting any and all tests that Buyer deems appropriate with respect to the Property. Buyer hereby indemnifies and agrees to defend, protect and hold harmless Seller for, from and against any cost, liability, damage and/or expense (including, without limitation, environmental liability, remedial costs, removal costs, and reasonable attorneys' fees and expenses) incurred by Seller as a result of or in connection with the above-described inspection of the Property by Buyer or its agents. Said indemnification shall survive any termination of this Agreement. Buyer shall have no indemnification obligation or other liability for or in connection with any claim arising from pre-existing conditions on or under the Property, or those arising from the presence or discovery of any hazardous substance previously existing on the Property. Notwithstanding any provision in this Agreement to the contrary, at any time on or before the end of the Investigation Period, Buyer may, without liability to Seller and for any reason or no reason whatsoever elect not to proceed with this transaction. Unless Buyer has notified Seller and Escrow Agent in writing that it has elected to proceed with this transaction, then on the day following the last day of the Investigation Period, this Agreement shall automatically terminate, and the parties hereto shall be relieved of all liabilities and obligations under this Agreement and the First Deposit shall be delivered by Escrow Agent to Buyer. If this Agreement is not terminated as herein provided, Buyer's right of access shall continue unabated until Closing.

In the event Buyer elects to terminate this Agreement, Buyer shall return the original and all photocopies of the Documents to Seller, within five (5) days following the expiration of the Investigation Period. All investigations shall be at Buyer's sole cost and expense. In addition, Buyer agrees to return the Property to the same condition as existed prior to Buyer's investigation of the Property. The preceding requirement shall be a condition of the return of the First Deposit to Buyer.

### 4. Title and Title Insurance.

Within thirty (30) days from the Effective Date of this Agreement, Seller shall provide Buyer with a copy of Seller's title insurance policy for the Property, if any. Buyer, at its sole cost and expense, shall obtain an owner's title insurance commitment ("**Commitment**"), issued by a nationally recognized title insurance company ("**Title Insurer**"). The Commitment shall show that title to the Property is good,

marketable and insurable, subject to no matters which would adversely affect Buyer's ownership or development of the Property. Buyer shall have until the end of the Investigation Period in which to examine the condition of title to the Property. If Buyer fails to provide Seller with written notice prior to the expiration of the Investigation Period, of specific defects which make title to the Property other than as required by this paragraph, then, for all purposes of this Agreement, Buyer shall be deemed to have accepted title in the condition described in the Commitment, provided, however, that Seller shall be obligated to satisfy at closing any mortgages or other monetary liens against the Property. If Buyer timely notifies Seller that title does not satisfy the requirements of this paragraph ("Title Objections"), then within fifteen (15) days of receipt of Buyer's Title Objections, Seller shall send to Buyer a notice in writing (a "Cure Notice") stating either (i) that the Title Objections have been cured or will be cured prior to Closing, or (ii) that Seller is either unable to cure or has chosen not to cure such objection. If Seller shall be unable or unwilling to cure all objections, then the Deposit, at the election of Buyer, shall be returned to Buyer, this Agreement shall be terminated and all parties hereto shall be released from any and all obligations and liabilities hereunder. At any time prior to such termination, Buyer may elect by written notice to Seller to waive any defects in title, in which event the Closing shall take place pursuant to this Agreement without any abatement in the Purchase Price.

Buyer may object to the status of title at Closing and refuse to close this transaction if an updated Commitment or Survey (as defined below) reveals matters other than those reflected in the Commitment and Survey and which would adversely affect Buyer's ownership or development of the Property. If Seller is unwilling, fails or refuses to discharge or remedy such matters prior to Closing, then Buyer may: (i) terminate this Agreement in which case the Deposit shall be disbursed to Buyer and neither party will have any further liability hereunder except as to the specific provisions intended to survive termination; or (ii) proceed to Closing without any adjustment to the Purchase Price.

#### 5. Survey.

Buyer may, at Buyer's sole cost and expense, obtain a survey or an update of Seller's survey (the "Survey") of the Property prepared by a land surveyor registered and licensed in the State of Michigan. If the Survey shows any encroachments on the Property or that any improvements located on the Property encroach on other property, or if the survey shows any other adverse or objectionable matters to Buyer, then Buyer shall notify Seller of such objections prior to the expiration of the Investigation Period. Any such encroachments or objections shall be treated as a Title Objection and the time frames, obligations, rights and remedies of Seller and Buyer shall be the same as set forth in Section 4 hereof.

#### 6. Approvals.

(a) Buyer's obligation to purchase the Property from Seller is contingent upon the final issuance of zoning approval, site plan and building permit approval for the Intended Improvements from all applicable governmental and regulatory authority (the "Governmental Approvals"). Buyer shall be responsible, at its sole cost and expense, for obtaining the Governmental Approvals. Seller agrees to cooperate with and to join in any and all applications, permits, consents, zoning, land use, concurrency, platting and other permitting, etc., that may be required to be filed in connection with the Governmental Approvals.

(b) Final issuance of the Governmental Approvals shall be deemed to occur only when all of the Governmental Approvals have been issued or granted by the applicable governmental and quasi-governmental boards and agencies, all appeal periods have expired and any appeals filed have been finally and favorably determined. If Buyer is unable to obtain the Governmental Approvals on or before the expiration of the second option period (the "Governmental Approvals Period"), then Buyer shall be entitled (but Buyer shall not be obligated) to terminate this Agreement and upon such termination by

Buyer, the Second Deposit shall be delivered or paid to Buyer and the parties shall be relieved of all further liability under this Agreement, except for those obligations which expressly survive termination of this Agreement.

(c) If either (i) the Governmental Approvals are not sufficient to allow for the construction of the Intended Improvements or contain conditions to approval that are not acceptable to Buyer in its sole discretion, or (ii) Buyer fails to obtain the Governmental Approvals prior to the expiration of the second option period, then Buyer shall have the right to terminate this Agreement by providing written notice to Seller and Escrow Agent ("**Governmental Approval Termination Notice**") prior to the expiration of the Government Approvals Period. Upon receipt of the Governmental Approval Termination Notice, Escrow Agent shall return the Second Deposit to Buyer and this Agreement shall be terminated and shall be null and void without recourse to either party hereto, except for those obligations that expressly survive the termination of this Agreement.

(d) Buyer shall have until the expiration of the second option period (the "**Finance Approval Period**") to determine if it will be successful in obtaining approval of construction and permanent financing for the Intended Improvements. Buyer shall advise Seller periodically as to the status of its financing efforts. If Buyer does not receive Finance Approval on or before the expiration of the second option period, then Buyer shall be entitled (but Buyer shall not be obligated) to terminate this Agreement by written notice to Seller delivered on or before the expiration thereof and, upon such termination by Buyer, the Second Deposit shall be returned to Buyer. In the event of such termination, the parties shall be relieved of all further liability under this Agreement, except for those obligations which expressly survive termination of this Agreement. Buyer shall provide to Seller a written update as to project financing on a monthly basis.

(e) In no event shall the Governmental Approvals or Finance Approval extend beyond two hundred forty (240) days from the Effective Date of this agreement.

#### **7. Seller's Representations and Warranties.**

Seller hereby represents and warrants to Buyer as follows:

Further, Seller covenants and agrees to make its policies, procedures and practices regarding compliance with the Asset Orders, if any, available to Buyer for its review and inspection during normal business hours and upon reasonable prior notice. Seller's obligation to sell the Property shall be conditioned upon Buyer's representations and warranties being true and correct as of the Closing date.

In the event of any suit between Buyer and Seller wherein the Escrow Agent, acting as escrow agent solely, is made a party by virtue of acting as such Escrow Agent, hereunder, or in the event of any suit wherein Escrow Agent interpleads the subject matter of this escrow, the Escrow Agent shall be entitled to recover reasonable attorneys' fee and costs incurred, said fees and costs to be charged and assessed as court costs in favor of the prevailing party and shall include attorneys' fees through appellate proceedings. All parties agree that the Escrow Agent shall not be liable to any party or person whomsoever for misdelivery to Buyer or Seller of money subject to this escrow, unless such misdelivery shall be due to willful breach of this Agreement or gross negligence on the part of the Escrow Agent.

22. **Entire Agreement.**

This Agreement constitutes the entire agreement between the parties with respect to the transaction contemplated herein, and it supersedes all prior understandings or agreements between the parties.

23. **Binding Effect.**

The failure by the Buyer or Seller to insist upon or enforce any of their rights shall not constitute a waiver thereof, and except to the extent conditions are waived by the express terms of this Agreement, nothing shall constitute a waiver of the Buyer's right to insist upon strict compliance with the terms of this Agreement. Either party may waive the benefit of any provision or condition for its benefit which is contained in this Agreement. No oral modification of this Agreement shall be binding upon the parties and any modification must be in writing and signed by the parties.

## Lien on Property to Secure Agreement for Reimbursement

The parties acknowledge, as of this \_\_\_\_ day of \_\_\_\_\_, 201\_\_\_\_, that part of the consideration for the sale of the property described herein (the "Property") pursuant to a purchase agreement dated \_\_\_\_\_, 2016 between \_\_\_\_\_, ("Purchaser") by the City of Wyandotte ("Seller") 3200 Biddle Avenue, Wyandotte, MI 48192, was to have the property generate tax revenue in future years.

In the event part or all of the property (including any building or structure placed on the property) becomes tax exempt at anytime within the first twenty (20) years after the sale of the property by Seller to Purchaser, Purchaser shall reimburse the Seller (which shall be considered part of the purchase price) in an amount determined in accordance with the following formula:

Expected taxable value of the property (including any building or structure on the property) which will be based upon the taxable value established in the year immediately preceding the year any of the property (including building and structures thereon) becomes tax exempt (subject to the last paragraph below in the event the taxable value is zero or the promised commercial development has not been completed in full at the time it becomes tax exempt) times twenty (20) mills for each year that remains from the time that any of the property (including building and structures thereon) becomes tax exempt until twenty (20) years from date of the sale of the property from Seller to Purchaser. ("Remaining term")

This reimbursement to Seller shall be paid in one lump sum as follows:  
 $20 \text{ mills} \times \text{yearly expected taxable value} \times \text{remaining term}.$

For example, if any of the property (including buildings or structures thereon) becomes tax exempt five (5) years after the date of the sale to Purchaser by Seller, and the expected taxable value is \$50,000 for the year, the lump sum will be computed as follows:

$$\$50,000.00 \times 0.020 \text{ mills} \times 15 \text{ years} = \$15,000.00$$

The lump sum is due and payable on or before the date any of property (including building or structures thereon) becomes eligible to be tax exempt or is transferred, sold or converted to a tax exempt entity (whichever occurs first) and this agreement for reimbursement shall survive the closing of the property and shall remain in effect for twenty (20) years from the date of closing and constitutes a lien (which may be enforced by foreclosure, including foreclosure by advertisement) on the property described herein for twenty (20) years from the date the property is sold to Purchaser by Seller. This Agreement is an obligation for repayment and is also a lien on property to secure agreement for reimbursement and shall run with the land and be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, representatives, successors and assigns. Seller agrees that this lien is not subordinate to the interest in the Property of any current or future lender of Purchaser (and its successors and assigns), and shall execute such documents as reasonably requested by such lender(s) to evidence such subordination.

Property located in the City of Wyandotte, County of Wayne, State of Michigan, described as:

The property prior to closing was tax exempt and in the event a taxable value is not established because any of the property remains or becomes tax exempt after the closing and prior to the complete development of the commercial building as set forth in the purchase agreement between Seller and Purchaser, the expected taxable value in that case will be based upon an appraisal of the property which will include Purchaser's promised development of commercial building as described in the purchase agreement between the parties.

**Notes:**

- For residential units, the True Cash Values and Assessed Values were determined by an estimate from the City of Wyandotte's Assessing Office.
- The actual Assessed Value may be higher or lower than estimated, and must be determined upon project completion by the City's Assessing Department. Assessed Values per square foot and/or per room/unit for both new construction and renovations vary widely depending on the quality, quantity, and type of improvements, and further, for renovations, on whether improvements are assessed as "new improvements" or just "replacement/repair," as determined by the City's Assessing Department. Until improvements are completed and assessed, it is only possible to estimate the Future Assessed Value based on various assumptions.

**REQUEST FOR COUNCIL ACTION**

**MEETING DATE:** December 14, 2015

**AGENDA ITEM #** \_\_\_\_\_

**ITEM:** Redevelopment of McKinley School

**PRESENTER:** Mark A. Kowalewski, City Engineer and Todd A. Drysdale, City Administrator

*Mark Kowalewski 127075*  
**INDIVIDUALS IN ATTENDANCE:** Mark A. Kowalewski,

**BACKGROUND:** There have been three (3) previous communications to City Council regarding the sale of the McKinley School Site. The first communication of February 10, 2014, compared the proposals received and resulted in exclusive negotiations with Coachlight Properties, LLC (Coachlight).

The second communication to City Council was on June 2, 2014, approving a Letter of Intent (LOI) #1 with Coachlight. The project consisted of the following at this time:

- a. Demolition of east and west portion of building. Keeping gym, auditorium, community space, library, kitchen, support offices and remodel for four (4) units
- b. Total 91 units (new three story 60 unit building on west side, new three (3) story 27 unit building on east side and four (4) remodeled units)
- c. 95 Parking spaces provided or one (1) parking space per unit
- d. LOI silent on architectural style although City Council has review via Planned Development Zoning requirements

The third communication to City Council on June 8, 2015, approved an LOI #2 (attached) with Coachlight and includes the following:

- a. Existing building will be maintained
- b. Maximum number of units to be 70
- c. Parking will be provided at a rate of 1.5 parking spaces per unit
- d. Any additions to the building will be of same architectural style as existing building
- e. LOI will expire six (6) months after rezoning to Planned Development (PD) is approved with option to extend monthly for an additional six (6) months at \$6,000

Rezoning of the property to Plan Development (PD) was effective on July 7, 2015.

Coachlight's project has changed with the reduction in the number of total units from 70 to 60. Thirty (30) units will be in the existing building and thirty (30) units will be in the new construction.

Paragraph 6 of the LOI indicates that Coachlight may request various tax incentives to assist in redeveloping the property. The attached communication from Coachlight is requesting City support for an Obsolete Property Rehabilitation Act (OPRA) and Brownfield Plan (BP) incentives to provide financial support for the redevelopment project.

Attached are summaries of tax revenue data comparing three (3) alternatives:

- a. Redeveloping the property for market rate apartments for seniors (55 years or older).
- b. Demolition of building and construction of nine (9) homes.
- c. Demolition of building and construction of fourteen (14) homes.

Attachments

meet

The redevelopment to 60 apartments, with an OPRA exemption and BP reimbursement, generates more net tax revenue capture for the City and/or its TIFA than any of the scenarios to redevelop the property into 9 to 14 homes, with or without NEZ exceptions. An example, the redevelopment of the site into 60 apartments with an OPRA and BP reimbursement would generate a net revenue amount of \$1,063,218 for the City/TIFA over a 40 year period, which is \$666,475 more than the net revenue amount of \$396,743 that the 14 homes with an NEZ would generate.

The recommendation is to proceed with the OPRA and Brownfield Plan.

**STRATEGIC PLAN/GOALS:** We are committed to maintaining and developing excellent neighborhoods by utilizing vacant school properties and other space to add age-appropriate public amenities to residential areas and continuing neighborhood renewal projects, where needed, in order to revitalize structures and infrastructure in residential areas.

**ACTION REQUESTED:** Approve OPRA and Brownfield Plan incentives within a future Purchase Agreement.

**BUDGET IMPLICATIONS & ACCOUNT NUMBER:** Future maintenance costs to school building avoided and additional revenue received by the City.

**IMPLEMENTATION PLAN:** Continue collaboration with Coachlight to fulfill the terms of the Letter of Intent.

Re: McKinley School – Development Incentive / Project Update

Honorable Mayor and Council,

Over the last six months, we have been working diligently with our consultants and city leadership to determine if our proposed project for the McKinley School is a sustainable project. During this time, we have accomplished many tasks. These tasks include, but are not limited to, the Phase One Environmental testing, engaging in Phase Two environmental services, building evaluations with various architects and general contractors, multiple meetings with potential lenders, engaging in a market study and engaging in the services for development incentives. In addition, we have had interaction with the Downriver Community Conference and the State of Michigan Economic Development Corporation for potential grants and/or development incentives available for adoptive reuse projects. These tasks have led our project to one item that requires your support in order to move forward to the next step. In order for our companies to make final commitment to the project, we need to gain your support of development incentives.

At your December 14, 2015 meeting, we would respectfully request your support of our crucially needed development incentives in order to make the project sustainable. These incentives are tools that are given to communities and developers in order to implement a level playing field between green field sites and redevelopment opportunities. We have engaged the services of Smooth Development to outline our requested incentives which consist of OPRA and Brownfield tools. These development tools should be no stranger to the community, since they have been used throughout the city in projects, such as BASF Expansions, Labadie Park, Sears Building, Sycamore Plaza, Templin's, and most recently Dr. Abrahamson's medical office. These

These projects may have not occurred without the development incentives supported through the City's vision. Just as the abovementioned projects required the incentives in order to maintain sustainability, we too, require the same incentives to continue the sustainability of the McKinley School Project. We respect the City must review all development options which may result in the most nonsocial benefit to the community. We, too, wanted to understand these comparisons. Therefore, we have provided a detailed analysis of our project when compared with two potential residential developments that have been discussed for this site.

We are confident that based on the information submitted to you, our project, with the development incentives, will result in a larger nonsocial economical return for the city. Again, we must stress that without these incentives our project will not be sustainable and will not be able to move forward.

We respectfully request that you support our development incentives as presented in order for us to move the project one step closer to reality. We will be available for questions or comments at your meeting. Should you wish to discuss the matter in advance of the meeting, please feel free to contact either of us or our consultant, Smooth Development.

Sincerely,

**Notes:**

- For residential units, the True Cash Values and Assessed Values were determined by an estimate from the City of Wyandotte's Assessing Office.
- The actual Assessed Value may be higher or lower than estimated, and must be determined upon project completion by the City's Assessing Department. Assessed Values per square foot and/or per room/unit for both new construction and renovations vary widely depending on the quality, quantity, and type of improvements, and further, for renovations, on whether improvements are assessed as "new improvements" or just "replacement/repair," as determined by the City's Assessing Department. Until improvements are completed and assessed, it is only possible to estimate the Future Assessed Value based on various assumptions.
