The Wyandotte Downtown Development Authority (DDA) was created to promote and enhance the commercial core of the community, to preserve public investment and to improve the viability of businesses within the DDA District. Our grant program provides funding to owners of new businesses moving to the DDA District or existing businesses that expand within the district. Expansion is defined as: Adding square footage to an existing building, acquisition of neighboring property, addition of outdoor seating or service areas that thereby add taxable value to the property or moving to a larger facility within the district. A maximum of $5,000.00 will be awarded to businesses that meet the following criteria:

ELIGIBILITY

- Owners or new tenants that are moving to (not within) the DDA District.
- Owners or tenants of property currently located within the City of Wyandotte DDA District and are expanding.
- Tenants must apply jointly with property owners.

CONDITIONS OF ELIGIBILITY

- Project components must have a useable life of at least 10 years.
- All work must be completed within six (6) months from the date the grant is awarded.
- Maximum grant funding given to one business cannot exceed $5,000.00. New applicants will be given priority over applicants that have previously received grants from the DDA.
- This is a competitive grant process and projects with a higher ratio of private to public investment will be given preference.
- Grant recipients must provide the DDA with photographs of aesthetic improvements before and after the completion of work. Photographs must be taken from the same vantage point. These photographs will be used by the DDA for marketing purposes.
- Grants will not be awarded for physical improvements and work completed prior to grant application date.
