

JOIN OUR CORPS OF VOLUNTEERS!

At the Wyandotte Museums, there are a variety of volunteer opportunities to choose from - there's something for everyone!

The benefits of volunteering one's personal time or resources to the betterment of a community are well documented. The intrinsic value of making a difference, learning and developing new skills, meeting new people, making network connections, or even simply building your resume and gaining work experience, the reasons for volunteering are as varied as the individual seeking to give their time. The Wyandotte Museums offers many avenues by which citizens past and present are able to give back to their community.

Volunteers can work both regular schedules and occasional hours. Send an email to museum@wyan.org or call the office at 734-324-7284 and we can discuss your interests and our needs. We are excited to work with you to care for and promote the Wyandotte Museums!
